March is finally here! The sounds of birds chirping will soon fill the air. March is also the unofficial spin-up to PCS season. If you have a friend relocating to Dayton or you’ve recently met someone who has, share our club with them. Better yet, bring them to an event. Mid-year dues are now $30 for new members.

Thank you for making Make it, Bake it, Fake it a huge success. The donations were abundant, attendance was high, and the bidding was active. A total of $1,721 in proceeds were raised. Our collective efforts helped fulfill CASA for Children’s donation request and add the finishing touches to the WPOSC Americana themed cooler for the Fisher House auction event. Additional proceeds were transferred to our welfare fund to aid in fulfilling additional donation requests from military and local organizations. I hope your heart is smiling as much as mine.

If you like the feeling of making a difference, then mark your calendars for WPOSC Community Service Day on March 19th. Membership will be heading back to Dayton Food Bank. We had such a positive experience last year, why not do it again? This is a family friendly event. See flyer for more details.

March 12th will reunite us for a paw-sitively good time. Come learn about 4 Paws for Abilities, a local organization dedicated to training and placing quality service dogs with eligible children and veterans. Come celebrate the unconditional love and affection dogs bring into our lives. We will also have the opportunity to meet our slate of elected officer nominees for 2020-2021 board year. Come support their service to our club.

Finally, we are still looking for members to join the 2020-2021 Board of Governors. There are multiple vacant positions, including the elected board. If you feel you can contribute, I will be happy to talk with you and answer any questions you may have. Don’t assume someone else will step in, let that someone be you.

Monica Lewis

Greetings from your club Historian. I will be looking for photos to include in our yearbook. I want every group to be well-represented, but I need your help. Please send photos either in JPG or PNG format. You can also upload them to the club Facebook page, and I can download them as I find them. Also, if you liked last year’s yearbook, I can order additional ones. Just email me for information. The yearbook will hopefully be available to view at each of our meetings/socials.

Robin Sowder
If you don’t see your name during your birthday month, we do not have it in our membership records yet. Please let Melissa Troxel with membership know, or Mary Weisert with ROWW.

Thank you!

Our own member, and amateur historian, Evelyn Pelan, will peak our interest exploring two items in our everyday lives that we take for granted. Bring a friend and enjoy the group; you might even win an antique door prize.

Menu: House Salad with Ranch & Italian Dressing, Root Beer and Maple Glazed Ham, Four Cheese Macaroni and Cheese, Sautéed Green Beans with Onions and Garlic, Rolls & Butter, Chocolate Chip Cookie, Coffee and Iced Tea. Vegetarian and vegan meals are also available.

OSC ACTIVITIES

Unless otherwise stated, all groups meet in the OSC Activities Room, Building 95 (same building as the Thrift Shop).

One OSC goal is to promote morale, goodwill, and fellowship among our membership through socials and special activities sure to appeal to a wide range of interests. However, we are always looking for new and fresh ideas; so if you have a hobby or skill that others might like to try as well, make a suggestion to the Activities Chair (from list on page 2).

March is Classic Book Month. Yvetta Whitehead will lead us in a discussion of Joseph Heller’s book. Joseph Heller was an American author of novels, short stories, plays, and screenplays. His best-known work is the novel Catch-22, a satire on war and bureaucracy, whose title has become a synonym for an absurd or contradictory choice

Prior to our meeting, read any book or short story written by him to familiarize yourself with his writing.

We are looking forward to seeing everyone on March 19th!

Brush & Palette

Patty Sprouse

Do you like to draw or paint? Have you been looking for a way to get those creative juices flowing again? Wouldn’t it be great to have “studio time” to keep you on task and have other artists to bounce ideas around with?

Brush and Palette may be the activity for you. We meet on Wednesdays from 9:30-2:30 at the Activities Room Bldg 95. Try it, you may like it!

Bunco

We are looking forward to seeing everyone on March 19th!
Join the Wright-Patt Mavens for Mah Jongg Tuesdays in the Activities Room adjacent to the Thrift Shop. Play begins at 9:30 am sharp and continues until about noon or longer if there are enough who want to play through the afternoon. Even if you are not a player now but are interested, stop by and watch to see if it is a game you would like to learn.

Wright-Patterson AFB is the home base for the little green Mah Jongg Rules book which is annually sent to all fifty states and many international countries. The profits from the sale of the book make up a very large portion of the OSC Welfare budget every year and have for more than fifty years. Books are revised every six or seven years, providing new hands to keep the game fresh and challenging. Currently, we are devising hands for the next edition. We can use some help and ideas for new hands!

**THE ROCK GROUP**

**Meeting: Mon, 9 March, 12:30**

We are a group of rock-painting enthusiasts who do not necessarily have any painting skills. You either??!! This is probably the group for you! Of course, we do welcome those who do have talent, but it is not a prerequisite to join us! As long as you paint and play nice with others, we won’t turn you away! We are all about paying it forward by dropping our fun, inspiring, crazy, encouraging rocks throughout the community! Check out our Facebook page (WPOSC Rocks) to see some of the ones people have found. Join us in spreading kindness and positivity to the greater Wright-Patt community in this fun and quirky way!

**RUBBER STAMP CLUB**

**Meeting: Fri, Mar 13, 10:00-12:00**

RSVP by: Wed, Mar 11

In February, we held a second successful “card sketch” challenge, so we’re continuing with this format for our meetings. A basic design has been chosen, and several people will independently design cards using this as a blueprint. Come see how different the cards turn out, even though they all originate from the same design. Everyone will get to make one of each! Please bring scissors and adhesives and be sure to reply on or before the deadline so that our designers know how many to prepare for.

**SPUSES’ NIGHT OUT**

**Tea Group**

**Contact Tamera for more info about the next meeting, and check out the group’s FB page at https://www.facebook.com/groups/905179123009989/?ref=bookmarks**

**WINE GROUP**

**Contact Casey to join the e-mail list.**

**THE WRIGHT RINGERS**

Welcome to our newest member Jessica Medve. We are off to a good start for our spring program. We will be performing in April and May. Hope to see you at the Greene County Spring Ring in May. Dates and times will be provided in the next newsletter.

**DO YOU HAVE A GREAT IDEA FOR AN ACTIVITY GROUP? CONTACT THE ACTIVITIES CHAIRPERSON TO GET STARTED!**
In January, we were given a private tour of the Wright Brothers National Museum at Carillon Park. Judith When gave us an informative and detailed look at the artifacts inside the museum and replica bicycle shop. The Wright Brothers National Museum has more Wright artifacts on display than any other place in the world, including the 1905 Wright Flyer III: the only airplane designated a National Historic Landmark, the first practical flying machine, and what the Wright brothers considered their most important aircraft.

You can always see our OSC members in action giving the Glimpse Behind the Scenes Tour. This tour provides a look at some of the tools and techniques used to restore the planes. It is only available on the 1st and 3rd Friday of the month in the Space STEM Learning Node in the 4th Building between 1:00-3:00.

We are always happy to provide private tours to our members and their visitors. Several guides have agreed to provide tours on an "as need basis." If you or someone you know would like a tour of the National Museum of the United States Air Force, please contact Sue Craven.
The ROWW will not be meeting in the month of March. Our next meeting will be April 30, 2020. We will meet in the Fireside Room at the Wright Patterson Club. Social starts at 10:45 and lunch will be served at 11:30. We will have a Barbecue Buffet. The pictures were taken at our Annual Birthday party on January 30th. It was a good celebration.

Hope to see everyone in April when Spring has sprung!

Pictured left: Guest speaker, Meredith Koener, from 4 Paws for Ability, and her dog companion, Harrison.
On February 6th, the Dayton area was blanketed with snow and bitter cold. All local schools were closed. Since ISG follows schools' inclement weather schedule, we had to cancel our meeting. But on February 12th, we gathered to tour the Westcott House in Springfield. We had a marvelous time looking at Frank Lloyd Wright’s open plan architecture and furniture designs.

On March 6th, we'll meet at the Prairies Chapel to celebrate St Patrick’s Day and dance to some tunes. We will discuss our upcoming International Fair on Tuesday, April 21st and have members sign up their countries to participate. Admission to the fair will be $12 per person.

If you would like to meet our members and learn different cultures, please join us for our next meeting and international potluck lunch!
