## Welcome

On behalf of the 2023-2024 Board of Governors, I would like to extend a warm welcome to all of our members, new and returning! It has been a busy summer and your BoG has been working hard to plan and prepare for an exciting year. WPOSC has so many ways for spouses to connect and make a difference in our military and local communities.

My first experience in a spouse's group was as a 2nd Lt. spouse. Being a newlywed, I knew absolutely nothing about military life. I attended Heartlink at the suggestion of my husband's commander and it was there that I met members of the OSC. I immediately knew I had found my tribe—other military spouses who came together to have fun and give back to their communities. This experience catapulted me to join the OSC at each assignment! Although each of us may be in different stages of military life, we as WPOSC members share common experiences and understand one another. We are a community of pretty amazing people if you ask me!

As a member of WPOSC, there are many ways to become involved. We have monthly programs, small activity groups, various committees, and of course, the BoG. With a club our size it is not easy getting to know everyone, but through our monthly programs we have the opportunity to connect members who might not otherwise get a chance to meet. A good friend wisely said that friendships grow best in small groups. We have almost 20 small activity groups! There truly is something for everyone. Join us on August 24 at the USO for this year's Welcome & Information Fair. At this come and go event, we will have information about each of these activities, membership applications, and light refreshments.

I truly love the philanthropic side of WPOSC and how military spouses come together to make a difference in our communities. Our diverse backgrounds and experiences along with our desire to help others, give us the ability to work together to do great things! This year there will be many ways to serve both within our club and base Thrift Shop, as well as in our surrounding communities. We want others to know the invaluable resource of military spouses. There are so many ways - big and small - that you can be involved. Watch for these opportunities throughout the year!

I look forward to meeting everyone and hope you have had a great summer!

Sincerely,

Suzanne Davis

23-24 WPOSC President

# SUMMER MEET-UPS!

**Spouses Night Out** had a delicious dinner at The Caroline in the quaint town of Troy, followed by drinks at the new Crafted and Cured which is in a renovated bank and features all kinds of beverages and charcuterie boards.

July's **BUNCO** night crew had some serious 80's vibes!

The **Lunch Bunch** meet-up had a terrific turnout in July. Members shared Summer stories, laughs, and great Indian food at Maharaja of Dayton!

**Rubber Stamp Club** continued to meet and made beautiful cards pieces over the Summer.

It might be hot outside, but **Brush and Palette** played it cool to make lovely paintings.

# LOOKING FOR SOMETHING NEW?

## NEW group: "Creative Corner" With Carrie Punches

Beginning September 18, 2023,  
Carrie Punches will be hosting "Creative Corner" at her house in the Bricks  
quarters on base in Area A on the 3rd Monday of every month.

The inspiration behind the formation of this club is to bring spouses together on a  
designated day each month to start, work on, or finally finish crafting projects  
"there never seems to be enough hours in the day to get to" in a social, yet  
relaxed atmosphere. So get those creative juices flowing again!

Carrie, who is a graduate of The Art Institute of Houston and first time empty  
nester, will also be there to guide you in any new project you would like to try.  
Personally she is over 20 years behind on her scrapbooking, but also loves to  
make Ren Fair hats and costumes, unique gifts, beading, recycle furniture,  
themed table centerpieces, door hangings, etc... So bring your ideas, or your  
knitting. It's all good!

For more information you can look for more information to be posted on the  
WPOSC fb page as it gets closer to September. See you there!

Welcome to our 23-24 club year. Wright Walkers (WW) will be enjoying the outdoors while generating great conversations, exploring new areas of the Miami Valley/WPAFB, and encouraging new friendships, and healthy habits with you and your family or furbabies.

The plan is to meet on the first and third Wednesday of each month at 10:30 am at various locations in Greene and Montgomery County. We will be open to suggested walking locations to be fair to those who live in the various communities that support WPAFB.

-You will be responsible for any drinks or snacks you may need. Wear comfortable clothes and shoes for walking. We will walk for about an hour or more, which will equal about 1.5 miles at a casual pace. There are lots of opportunities to visit and meet new people. I will carry a first aid kit.

-As the weather changes, either fog or snow, there may be a need to cancel our walk. I will try to do my best to email or text the group and post on Facebook if this becomes necessary.

Looking forward to seeing our regulars and many new faces.
