PRESIDENT'S PEN

Thankful

As we continue to make our way through the year, I am reminded how thankful I am to be a part of the WPOSC and Wright-Patterson community. Wright-Patterson has been home to many firsts in my life and will forever hold a special space. It is the first duty station we moved to and the first place I was introduced to a Spouse Club. It will also soon be a place where I will have to say goodbye to a multitude of friends who have become a part of my larger military family.

I am so thankful for all of those who stepped up to serve the club to help us have another successful year. Many of those members stepped up in a variety of ways. We have those who serve our community through the Wright Wringers and Thrift Shop Volunteers. Our energetic Activity Leads who give their time and provide small groups to help connect others. Those part of the Board of Governors sharing their talents and time for our social and service sides. The Executive Committee helping to lead this year and our Advisors who help guide us all. And our membership, because without those who are interested in being part of the community, we would not have people to serve.

As we head into the holiday season, we all have more to say and share in gratitude with one another. I look forward to seeing our membership grow as we continue to serve our community with the Airmen Cookie Drive and our Holiday Luncheon. These two events are some of my favorite ways to give back each year and I can't wait to see you all!

Sincerely,
Desiree DeGarmo
24-25 WPOSC President

Desiree DeGarmo

WE ACCEPT DONATIONS ANYTIME WE ARE OPEN!

Gently Used Donations and Consignments are always welcome! The Thrift Shop welcomes donations during our normal business hours: Tuesdays, Wednesdays, and Fridays from 9:30 AM to 2:00 PM. We also have two donation bins outside the store where items can be placed when we are closed.

Want to earn a little extra money? Do you have items that no longer fit in your house after a recent PCS move? Have you refreshed an area of your home and are left with decor that you no longer need or use? Have your children outgrown clothes, games, or toys? If you answered yes to any of these, you may want to open up a consigner account. All you need is your military ID and a little bit of time to come in and learn about the process. You'll earn a little cash while also contributing to the mission of the Thrift Shop.

Meet the Board

President

Desiree DeGarmo is our President this year. Des joined the board because she loves being a part of the community and serving others. The OSC community reminded her of the community she found in other periods of her life and the community helps keep her grounded and form a sense of family while being away. In her free time, Des likes to crochet amigurumi for gifts.

1st Vice President

Brendon Myers started serving on our Officers' Spouses' Club board last board year as our Reservations Chair and this year he stepped into our 1st Vice role. He wanted to serve to be a role model for other male spouses. In his free time, he enjoys arts and crafts. Lately, he's been into ceramics!

2nd Vice President

Dyann Marlowe is our Second Vice President. Dyann joined the board because the spouses club gives an investment in the community and military families. She has children who have benefited from the generosity of other Spouses' Clubs and wants to continue to be part of the blessing to others. Dyann is a mom of five and a quilter.

Admin. Treasurer

Ashley Zelinski is our Admin. Treasurer this year. She joined the OSC in December 2023. She was a newly retired school teacher and wanted to get involved in the military community, meet new friends, and help others. She volunteered to become the Admin Treasurer because it was out of her comfort zone and she wanted to take on a new challenge. Ashley is a veteran and when she was on active duty she was a medic stationed at Tinker Air Force Base. When the OKC bombing occurred, she was able to help using her EMT skills. She worked labor and delivery at the time.

Meet the Board

Welfare Treasurer

Tracey Tomme is our Welfare Treasurer. This is her second year as treasurer-- before that, she served 2 years as our Scholarship Chair. She initially joined the OSC to reconnect with military families. Her husband served in the Air Force for 21 years and has now retired in the Dayton area. She wanted to join the Spouses' Club because Dayton is big enough that unless you work on base or are frequently on base, you may not meet too many other active duty military or retirees. Since joining the club, she has been able to spend time with spouses who have similar stories of assignments, travel, and great adventures. She has enjoyed her time as both Scholarship Chair and Welfare Treasurer. She's found both positions rewarding, seeing how much funding we have raised to support our community, the military, and college students from military families. Tracey has an animal science degree and taught middle school for years, but now that her husband is retired she has become a museum executive.

Activities Chair

Lori Enochian joined her first Spouses' Club board years ago after years of enjoying the social aspects of the clubs. She felt led to give back and contribute more to the organizations that she had been a part of so she accepted her first board position and has been continuously serving in some way since. She enjoys the teamwork and camaraderie of serving and loves meeting new friends. Her only regret is not starting sooner!

Mah Jongg Book Sales

Cathy Gagnon is our Mah Jongg Book Sales Chair. She took on the position because she is one of our long-time Mah Jongg players and wanted to support the work we do to help spread the Wright-Patt rules of Mah Jongg to others outside of Wright-Patterson. When she's not playing Mah Jongg, Cathy enjoys making reed baskets and has even taught others how to become basket makers, themselves.

Meet the Board

Newsletter Editor

Elisa Rickard is our Newsletter Editor. She served as Secretary for the past two years. She joined the board to give back and serve the club. She loves the sense of community the club offers. In her free time she enjoys hiking.

Programs

Debbie Workinger is our Program's Chair this year. She has been working tirelessly to plan all our spectacular programs! Debbie joined the board and the OSC to further support the community and help bring spouses together.

Social Media

Kylie Nicklas is our Social Media Chair and puts in a lot of work managing our social media platforms. She joined the OSC to make new friends and feel connected to her community. Wright-Patt is her and her husband's first duty station and this is her first Spouses' Club!

Thrift Shop

Stephanie McDonald is our Thrift Shop Chair. She joined because she loves meeting new people, socializing, and giving back to her community. Stephanie can be found swimming with sharks, dolphins, and stingrays on her vacations, but will insist anyone else deal with any stray spiders in the Thrift Shop!

Join us for History Month! Sue Craven will review and lead the discussion on *In the Hurricane's Eye: The Genius of George Washington and the Victory at Yorktown* by Nathaniel Philbrick.

In the Hurricane's Eye opens in the fall of 1780. For 5 years, American and British forces had clashed along the edge of a vast continent and were now at a stalemate. The Royal Navy, with its fleet of powerful warships (just one of which mounted more cannons than possessed by the entire rebel army), could attack the rebels' seaside cities at will. The Rebels could just fall back inland and wait. Neither side could inflict the killing blow. As Washington knew better than anyone, only the French navy could break Britain's stranglehold on the eastern seaboard and thus ensure an American victory.

We look forward to seeing you on November 21st to discuss this novel!

Antiques Société

In November there will be no luncheon or program.

However, on Wednesday, December 4th we will meet at the Woods Clubhouse, 2161 Hidden Woods Blvd., Beaver Creek. Our December Decorating with Antiques program is open to all OSC members.

We will provide table space so you can showcase a favorite antique. Just call or text Debbie, 937-286-9303, by Wednesday, November 27th to reserve a space. The doors will open at 10:00 AM for you to set up a display. It gets a bit congested at the start, so we respectfully insist that only those setting up a display come at 10:00 AM.

At 10:45 AM, all other attendees may enter to enjoy viewing the displays and the antique door prizes while we all sip eggnog.

At 12:00 PM we will begin a catered lunch from Christopher's restaurant. The menu and price are not known at this time, but we will post it on Facebook and notify you by e-mail as soon as possible so you can call Janet.

Call in your reservations to Janet Lee at 937-657-6267 by Wednesday, November 27th.

Our Holiday-themed luncheon each December is a long-standing tradition. We invite you to join us in this seasonal celebration.

Robin Sowder

Welcome to our 24-25 club year. Wright Walkers (WW) will be enjoying the outdoors while generating great conversations, exploring new areas of the Miami Valley/WPAFB, and encouraging new friendships, and healthy habits with you and your family or furbabies.

The plan is to meet on the first and third Wednesday of each month at 10:30 am at various locations in Greene and Montgomery County. We will be open to suggested walking locations to be fair to those who live in the various communities that support WPAFB.

-You will be responsible for any drinks or snacks you may need. Wear comfortable clothes and shoes for walking. We will walk for about an hour or more, which will equal about 1.5 miles at a casual pace. There are lots of opportunities to visit and meet new people. I will carry a first aid kit.

-As the weather changes, either fog or snow, there may be a need to cancel our walk. I will try to do my best to email or text the group and post on Facebook if this becomes necessary.

Looking forward to seeing our regulars and many new faces.

ACTIVITY ROOM PARKING INFO

During business hours, please leave the parking spots in front of the Thrift Shop and Outdoor Rec. for their respective customers.

Volunteers and OSC members using the Activity Room should park in the lot at the end of the building. And of course, the spots for unloading and handicapped should only be used for those customers.

In the evenings and other times when the businesses are closed, parking in front of Building 95 is available for use!
