PRESIDENT'S PEN

"Spring is the time of plans and projects"-Leo Tolstoy

Our club like the approaching Spring is planning and growing. Your Executive Committee and Board of Governors are working hard to bring exciting events to our current membership while also working on plans to recruit and include new enlisted spouses in the club. Many of our committees will be working diligently over the next 3 months on plans for the 2025-2026 membership year.

The Nominating Committee is soliciting applications for the upcoming year - please consider serving the club as a board member. We will be sharing progress on the club expansion and opportunities to help at the upcoming membership events. In the next couple of weeks, a survey will be distributed to our membership as well as to our internal and external social media pages. I encourage you to fill it out and encourage club and community members to participate as well. This will help in our planning for the new membership year.

I encourage each of you to attend the AWESOME membership events this spring! In March we will have an evening filled with friendship and fun with Bunko at the USO, the evening will feature dinner from Cherry Hill Café and prizes that encourage us to relax and pamper ourselves. In April, we have our annual WPOSC Silent Auction and Trivia night-invite friends and family to come eat, compete and purchase amazing items! Lastly, In May we have our Scholarship Dinner & Year End Celebration-this event will take place at the Hope Hotel on May 1. I am so excited about each of these events-I hope you will be too.

We would like to take some space to recognize our members who have served. This month we're recognizing Adriana Eden. She served in the U.S. Air Force for 24 years. Her rank was Lt. Col.

Now she enjoys being part of the WPOSC as one of our Wright Ringers and our Photography Club Lead. We appreciate her years of service and are glad to have her as a valued member.

The Thrift Shop is grateful to currently have 39 active volunteers and two co-managers that contribute countless hours to help make our store a success.

With a wide variety of personal and professional experiences prior to volunteering, our staff is unique and well equipped with diverse skill sets. A small sprinkle of the "Faces of the Thrift Shop" can be found on the following page.

We hope you enjoy meeting some of our team, and look forward to seeing you next time you're at the WPOSC Thrift Shop! Find and follow us on Facebook (WPOSC Thrift Shop) for up-to-date deals and to view featured merchandise.

SEEKING NEW VOLUNTEERS!

We always welcome new volunteers. There is a place for everyone to fit in.
Please contact the Thrift Shop Chair for more information:
thriftshop@wrightpattersonosc.org

THRIFT SHOP HIGHLIGHT

Meet our wonderful Thrift Shop volunteers! These volunteers make our Thrift Shop amazing and keep it running smoothly.

Holly has been volunteering for the Thrift Shop for 12 years on and off. Her favorite task is being the floor coordinator. She loves organizing every thing out on the floor - from the items on the shelves to the actual shelving, and just making it look nice! She knows just how everything should be tagged for display.

Cheryl first volunteered with us from 2003-2015 and came back to us in 2022 and has been with us since! She previously served as a Co-Thrift Shop Chair and as a Tuesday and Friday Daychair. She loves every aspect of volunteering, except cashiering. Tagging and pricing donations is Cheryl's specialty.

Anita has volunteered with us since 1980! She encourages new volunteers to go shopping. She is a retired Health Unit Coordinator in a hospital. She started volunteering because it sounded fun, she must have thought so because she's still here 45 years later!

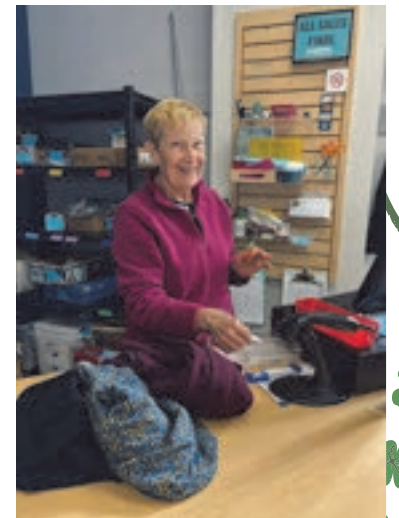

Rosa has volunteered since 1997! She loves to be around the young, intelligent, and interesting people who volunteer alongside her. She suggests letting the managers place you when you first start then ask for specific jobs after you're comfortable. Before the Thrift Shop, Rosa volunteered at Goodwill in Huber Heights from 2000-2005.

Felicia has been at the Thrift Shop for almost eight years, five as a volunteer and is finishing her third year a manager. Her favorite job has been managing but before that it was cashiering and check-in or take-in but definitely NOT tagging! Her motivation is meeting different people, learning something new about herself and the world, and she has something interesting to talk about at the dinner table. Her advise for new volunteers is to try different days and different jobs.

Stephanie is in her second year of volunteering. Her favorite job is whatever she is asked to do! She enjoys being able to move between different tasks and responsibilities. She really enjoys interacting with the regular consignors and customers but also loves to type contracts. She enjoys learning about the various backgrounds and experiences volunteers bring to the table. Her advice to new volunteers would be to learn as much as possible and be versatile.

Kris is our other manager and her favorite part of the job is seeing the smiling faces when customers find great deals! She is motivated by the welfare funds that we are able to give back to WPAFB and the surrounding communities.

Lisa started volunteering at the Thrift Shop in 2012 and previously volunteered at the Thrift Shop on Ft. Belvoir, Virginia. Her favorite job is check-in desk and taking consignments in. She volunteers because it's wonderful to help the Air Force community.

WPOSC GIVING BACK

Our welfare committee has been hard at work this year giving back to our community this year and we want to share some of the wonderful organizations we have supported.

Every year at our Holiday celebration, we choose a local charity to give to. This year we chose Fairborn Fish Food Pantry. The Fairborn Fish Food Pantry's mission is to relieve hunger in our community. Their team brings many years of experience in advocating for the community's needs and we are thankful to be able to support them in this goal.

Local Miami Valley organizations we have supported include:

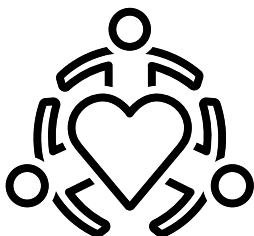

- Agape for Youth, provides youth and families with supportive, nurturing services that encourage each other to reach their full potential.
- Daybreak, Inc., empowers homeless youth and young adults to achieve stability and self-sufficiency.
- Ohio's Hospice of Dayton, serves patients and families of Dayton with grief support and education.
- Beaver Creek Band Association,

The WPOSC gives back to both the local military community and the greater Miami Valley region.

We are proud to be able to provide resources to our community.

Military organizations we have supported so far this year include:

- The Air Force Sergeants Association, advocates to support the well-being of military service members and their families.
- The 88th Medical Group Booster,
- Military Child Education Coalition, supports military children by providing them with programs, resources, and guidance.
- The 5/6 PO Organization, supports the 88th ABW, mission partners & greater Dayton Community while providing Jr. NCOs the opportunity to grow professionally and personally.
- Operation Homefront, builds strong, stable, and secure military families so can thrive.

10:30-11:30 AM

Barnes and Noble/Starbucks
Fairfield Mall

This month we will be reading *The Frozen River* by Ariel Lawhon.

A gripping historical mystery inspired by the life and diary of Martha Ballard, a renowned 18th-century midwife who defied the legal system and wrote herself into American history.

Maine, 1789: When the Kennebec River freezes, entombing a man in the ice, Martha Ballard is summoned to examine the body and determine cause of death. As a midwife and healer, she is privy to much of what goes on behind closed doors in Hallowell. Her diary is a record of every birth and death, crime and debacle that unfolds in the close-knit community. When a local physician undermines her conclusion, declaring the death to be an accident, Martha is forced to investigate the shocking murder on her own.

We are looking forward to seeing you on March 20th as we discuss this novel!

Wright Ringers

We are getting our spring playlist ready but can use a few more bell ringers. Our practices are held on Mondays from 9:45 am to 11:30 am in the Activities Room at the Thrift Store building. For more information contact Heidi Cahoon.

-You will be responsible for any drinks or snacks you may need. Wear comfortable clothes and shoes for walking. We will walk for about an hour or more, which will equal about 1.5 miles at a casual pace. There are lots of opportunities to visit and meet new people. I will carry a first aid kit.

-As the weather changes, either fog or snow, there may be a need to cancel our walk. I will try to do my best to email or text the group and post on Facebook if this becomes necessary.

ACTIVITY ROOM PARKING INFO

During business hours, please leave the parking spots in front of the Thrift Shop and Outdoor Rec. for their respective customers.

Volunteers and OSC members using the Activity Room should park in the lot at the end of the building. And of course, the spots for unloading and handicapped should only be used for those customers.

In the evenings and other times when the businesses are closed, parking in front of Building 95 is available for use!
